**# Anyone requiring gear needs to contact the shed volunteer before midday on the day of opening to provide them with enough notice #**

\* If you know in advance that you will require gear from the shed, please help the volunteer by contacting them early so that they can coordinate the shed opening or so that a replacement volunteer can be organised if the rostered volunteer has become unavailable.

\* If you are not able to contact the rostered volunteer please post on the UWA Underwater Facebook group or contact the other volunteers so that a replacement volunteer can be appointed.
